CASH AND ONE PRICE WHERE YOUR MONEY GOES FARTHEST

Send the Home Paper to the Boys.

If you don't believe the home paper is welcomed by the boys at the front, whether soldiers or sailors, just ask one of them. Charley Kitterman used to say that when he received a copy of the News he'd go to the tent door and call out "Boys, she's here," and the Jasper boys would flock about that little sheet until it was read from head rule to foot slug.

We are sending it to some of them, and friends and relatives have subscribed for others in France, in home camps and at sea, but many are not getting it. If on account of the congested condition of soldier mails they do not receive every copy, they will be more than glad to receive it when it does reach them and the money spent will be well spent. They will appreciate it more than they can tell you.

The price is the same to those in the service as it is to those at home, \$1.50 a year.

T. H. Hammond, N. G.

Obituary.

John Gohr was born April 3, 1844, near Schweitz, Germany. He was married in 1869 to Henrietta Klopp of Schweitz, Germany. They came to America in 1872 and in 1874 settled on a farm 7½ miles southeast of Jasper, where they have since resided.

To this union were born four children—one son, Otto Gohr, who died March 2 of this year, and three daughters, who together with their mother survive. They are Mrs. G. R. Brown, of Kingsdown, Kans., Mrs. J. T. Lannon of Purcell, Mo., and Mrs. T. Collins of Jasper.

The funeral was held at Zion Church May 29, 1918 Rev. Sunderland had charge of the services. Burial was in the Mitchell Cemetery.

BABY BOND DRIVE NEXT

School Officials of Jasper County Plan for Campaign.

G. F. Newberger, county chairman for war savings stamps, held a meeting of the school officials of Jasper County in circuit court room No. 1 at Carthage last Saturday. Nearly every school district in the county was represented by the president or secretary of its school board. Nearly 300 school officials were present.

The purpose of the meeting was to organize a plan of campaign for the sale of war savings stamps to meet the quota assessed against the county. The campaign will extend over the United States as a whole.

President Wilson and Governor Gardner will issue proclamations in a few days calling meetings in every school district in the United States for the 28th instant, on which date the campaign will be launched. The Government wants to sell an average of \$20 worth of baby bonds to every man, woman and child in the country, and expects the people to respond to this call as promptly and completely as they have on previous war funds.

The war savings stamp is pretty well understood by this time, as they have been on sale for some months. War savings stamps are simply Government bonds. During this month they cost your \$4.17 each, increasing in price one cent per month, so the sooner you buy the less you pay for them at \$5.00 each, making a substantial profit to the owner. If you need the money before the bonds mature, by giving 10 days' any postoffice where you are known will pay you the cash value at the time for them.

They are also called "thrift" stamps because they may be bought with the small savings of the poor and of boys and girls.

If you wish to buy before the campaign starts see your postmaster or mail carrier, and when the campaign starts you will be given credit for what you have.

Thomas Marsh Passes Away.

Thomas Marsh died at his home last Friday morning about 8:20 after an illness of several months. The funeral was held Sunday afternoon at 2:30 at the Christian Church. Rev. C. H. Swift of Carthage preached the funeral sermon to a large congregation, many of whom stood throughout the service. The remains were interred at Fashin Cemetery, 12 miles southeast of Jasper near Mr. Marsh's former home in the country. The Jasper Masonic Lodge had charge of the service at the graveside.

The choir was composed of Misses J. A. Wine, T. H. Hammond, Dora Hastings, Miss Louisa Hammond, and Messrs. Allen Peterson, George and Heber Moyer and Omer Webb. Mr. Ogden of Carthage sang "Beautiful Isle of Somewhere."

Thomas Marsh was born in Bracken County, Ky., March 1, 1842, dying at the age of 76 years and 3 months. He served three years in the Confederate Army when a young man, returning at the close of the war to Milford, Bracken County, where he married Myra D. Routt, who with the following children survive him: Mrs. Frank G. Moore of Carthage; Mrs. H. G. Tiller, southeast of Jasper; John N. and Otis Marsh of Joplin; W. C. Marsh and Mrs. S. M. Hutsell of Nebraska, and Thomas, jr., residing in Colorado. Mrs. A. M. Wallingford and Mrs. M. E. Ogden of Carthage are sisters of deceased.

Mr. Marsh and his family came to Jasper County in 1881 and bought a large farm southeast of Jasper, where they lived several years. They then lived in Carthage about 8 years and later about 4 years in Colorado. For the past 7 or 8 years they have made their home in Jasper.

Thomas Marsh, or "Uncle Tom," as he was affectionately called by a host of friends over the county, was blessed with a generous heart and a friendly nature. He was a partisan, espousing one side or the other and speaking his opinions frankly, but he was held in closest friendship by many with whom he differed most radically. He was a good neighbor and friend and his absence will be deeply felt.

COUNTY HOME DEMONSTRATOR

Gives Demonstration Here—65 Women Attend the Meeting

Mrs. Sadie Bates Brooks, emergency home demonstrator for Jasper County, gave a wheelless demonstration to the women of this community at the Red Cross rooms over Crow's store last Saturday. There was a large crowd present and all went away feeling doubly repaid for coming.

Mrs. Brooks used rice flour, corn flour, barley flour, and oat meal, in her receipts, giving her reasons for combining the two substitutes in some receipts.

A town demonstration club was organized with Mrs. O. Thompson as chairman. The different departments are—food, Mrs. T. H. Hammond; poultry, Mrs. Sol Shoopman; clothing, Mrs. Vern Nunnally; substitutes, Mrs. J. W. Moore; cooking club, Miss Bessie Temple. Mrs. Brooks will give the cooking club ten lessons. These lessons are free and every woman is invited to attend. The first lesson will be given Tuesday afternoon, June 11, at 2 o'clock. The same room will be used unless other announcements are made.

It is the duty of Mrs. Brooks to go all over Jasper County, showing the women the different ways of using the new foods on the market, also to help solve any household problem which may arise. If any community wants her help, phone to Mrs. David Houser, president of the Jasper County demonstration, and Mrs. Brooks will be sent there.

Some of the things Mrs. Brooks made Saturday:

Loyalty Loaf—1 cup milk, 4 tablespoons fat, 4 tablespoons syrup, 2 eggs, 6 teaspoonsful baking powder, 1 teaspoonful salt, 10 ounces barley flour and corn flour mixed.

Bake in narrow pan one hour.

Biscuits—1¼ cups liquid, 3 tablespoons fat, 6 teaspoons baking powder, 1 teaspoon salt, ¾ teaspoon soda, 4 cups barley flour, 2½ cups corn flour.

Muffins—8 ounces of flour, equal parts of substitutes, 4 teaspoons baking powder, 1 teaspoon salt, 1 cup liquid, 2 tablespoons fat, 2 tablespoons syrup, 2 eggs.

Oat meal gems—1 one-fourth cups rolled oats, 1 cup sour milk, soak 6 or 8 hours, 1 egg, 1 tablespoon sugar, ¾ teaspoon soda, 1 tablespoon fat.

More Boys Go to Army and Navy.

Thirty-six young men were on the northbound train Monday evening bound for Jefferson Barracks to take training for the Army. Among them were Will Magers and Roy Webb, Jasper boys. Both were as happy as bumble bees at having been accepted for service. They had tried before for the Navy and other branches, but Roy had been rejected on account of his eyes and Will for a strained knee, but they finally got in the Medical or Hospital corps where they will do a good job helping to whip the kaiser.

Bryan Tiller also went to St. Louis Monday to report to the chief recruiting officer of the Navy for this district, Bryan having been accepted by the Joplin recruiting agent.

Two Jasper County Boys in Tank Corps.

The Carthage Press notes the fact that Roy Hackworth of Carthage has enlisted in the Tank Corps of the United States Army, a particularly hazardous war occupation in which the best brand of bravery and nerve are required. Hackworth is the second man from this county to join this service. Billy Thiel, son of Jacob Thiel and wife east of Jasper, enlisted some time ago and is in training at Gettysburg, Pa.

Hold Your Liberty Bonds!

The American who buys a Liberty Bond and forthwith sells it has performed only half a service for his country. To buy bonds and then sell them immediately tends to make the war burden of the country heavier, instead of lighter, as it decreases the market value of the bonds.

Liberty Bonds are the safest and soundest and one of the best investments in the world. To sell them unless imperatively required is not good business, is not good Americanism.
